LE DOM BRO

PRO: Pedigree suggests nine furlongs should be well within his scope, eventually.
CON: Unraced in nearly three months; narrowly won auction maiden last time.

2

DOMESTIC PRODUCT

PRO: Romped in track-and-distance maiden with blinkers added.
CON: Sire's offspring have generally been more effective around one turn.

3

DORNOCH

PRO: Exits strong Keeneland maiden win for barn that won this race last year.
CON: Still tends to race a little greenly when left alone.

4

MOONLIGHT

PRO: Best runs so far have come close to home; maiden win was dynamite.
CON: Didn't seriously threaten when second in Iroquois (G3) over the slop.

5

DRUM ROLL PLEASE

PRO: Graduated third out after running distant second to eventual G1 winner.
CON: Potential underlay, given barn's win percentage.

6

BILLAL

PRO: Faced some good ones on debut; stakes-placed since easy maiden score.
CON: Needs to quicken after getting outrun late in Nashua.

7

SIERRA LEONE

PRO: Overcame troubled start to land debut when most eyes were on the Breeders' Cup.
CON: Speed figure didn't come up great, so improvement needed.

WHERE'S CHRIS

PRO: Pulled off big surprise in Nashua despite decent form going in.
CON: Best time to have him was last time; likely limited value here.

9

COPPER TAX

PRO: Much better horse than initially thought, with five straight wins coming in.
CON: This figures a more demanding test than the Delaware and Laurel fields he's been beating.

PRIVATE DESIRE

PRO: Might offer decent odds if willing to overlook modest showing in the Nashua.
CON: Unplaced in two of three outings, including to several of these rivals.
