

MEET THE CONTENDERS

2024

REMSSEN STAKES

1

TUX

PRO: Unexposed colt a convincing debut winner last month; should handle distance.
CON: Main rivals all have a bit more seasoning.

2

AVIATOR GUI

PRO: Grass experiment didn't work but won key maiden on dirt two back
CON: Grinding sort unlikely to get much pace help.

3

POSTER

PRO: Solid form coming in for barn that won Kentucky Jockey Club (G2) last week.
CON: Has only raced on grass so far, but perhaps a minor quibble.

4

STUDLYDORIGHT

PRO: Addition of blinkers last time seemed to help dual stakes winner.
CON: Consistent sort has experience but relatively less upside.

5

KEEWAYDIN

PRO: Won well after missing in photo to G1-placed rival on debut.
CON: Pedigree seems more conducive to success around one turn rather than two.

6

SURFSIDE MOON

PRO: Owns some tactical foot in what will likely be a slow-paced affair.
CON: Made little impact late in pair of stakes tries; seemingly up against it class-wise.

7

GUN TRADER

PRO: Barn has pulled off stunners in the past at graded level.
CON: Needed six starts to graduate and likely needs easier than this.
