2025

HOLY BULL STAKES

1

KINETIC CONTROL

PRO: Showed more speed last time and barn having a good winter here.
CON: Appears relatively slow on paper; needs notable improvement.

2

FEROCIOUS

PRO: Dual G1-placed colt endured a tough trip in the BC Juvenile (G1); adds blinkers.
CON: Breeders' Cup form hasn't been validated yet and he'll be a short price.

3

TAPPAN STREET

PRO: Stalked a fast pace and won debut; \$1 million yearling is promising.
CON: Wouldn't want to get into an early pace battle.

4

GUNS LOADED

PRO: Held on to win Mucho Macho Man S. in stakes debut.
CON: Almost gave the win away last time and it was a rather slow race.

5

HE'S NOT JOKING

PRO: Likely a bit better than last suggests, as he was a G3 winner in Canada.
CON: That flop occurred in only dirt try; perhaps better on Tapeta.

6

BURNING GLORY

PRO: Blue blood earned diploma in third attempt after prolonged stretch battle.
CON: Figures to need a strong pace for best chance.

7

BURNHAM SQUARE

PRO: Won for fun first-time blinkers after starting in claiming ranks.
CON: One of several jumping from maiden to graded stakes, so progress needed.
