INCREDIBOLT

PRO: Overcame slow pace to win Street Sense (G3) and can continue to improve.
CON: Barn has been a tad cold this meet, which is the main drawback.

2

ROGER THAT DANA

PRO: Distantly placed in a pair of stakes here this winter.
CON: Needs to find more if going to be competitive at graded level.

3

PROJECT ACE

PRO: Deep closer was just up to win over this distance at Churchill third out.
CON: Faced only restricted maidens en route to diploma; looks outclassed.

4

GLOBAL AVIATOR

PRO: Rallied to break maiden going 6f in good time; potentially underrated here.
CON: Doubt that maiden field had much quality to it; now in deeper waters.

5

CANNONEER

PRO: Set fast splits and kept going to graduate; exciting prospect.
CON: Can't afford to go too fast early stretching out versus better.

BUETANE - SCR

7

NEARLY

PRO: Has excelled over this track since ho-hum debut; appears fast enough.
CON: Lacks stakes experience and backers will have to accept low price.

BRAVARO

PRO: Unbeaten colt steps up for barn that saddled first two in Pegasus World Cup (G1).
CON: Seemingly benefited from perfect trips and has never faced open company.
